

# PRIVATE CAPRI ISLAND TOUR BY 'GOZZO'

Half or Full Day Excursion

discover the natural side of Capri

The best way to discover and **enjoy the natural beauty of Capri's coastline**, with its small and spectacular caves, tiny bays, and clear blue waters is naturally, by sea. Join us for an authentic, unforgettable experience as we take you on a private cruise around this unique island.

Embark on your **traditional wooden boat**, known locally as a **Gozzo**. These handcrafted boats were historically used by the local fisherman to haul in the day's catch. Admire the famous beauty of the Isle and discover some of its hidden beaches and swim in its amazing turquoise waters.

Your tour will begin at the lively port of **Marina Grande** and proceed to visit the famous statue of the characteristic Neapolitan boy "**O' Scugnizzo**" before cruising through the symbol of Capri, the beautiful **Faraglioni Rocks**. Admire the giant 1,000-foot cliff "**Tiberius' Leap**," the **Coral Grotto** and **White Grotto**, the natural and fascinating rock **Arches** that scatter the seafront, the modern architecture of **Villa Malaparte**, and the bay of **Marina Piccola** - the most renowned of Capri's beaches with its famous **Siren's Rocks**. Proceed to the **Green Grotto** where you can swim in the most gorgeous green waters imaginable, before heading towards **Punta Carena** and its beautiful lighthouse.

Upon request, you may elect to conclude your tour with a truly exhilarating experience, a visit to the **Blue Grotto**, known worldwide for the intense blue tones of its interior waters.

For full day trips, allow us to recommend a **great waterfront restaurant** where you will certainly enjoy an unforgettable meal during one of your most memorable days in Italy.
