

# A LEISURELY RUN THROUGH SALERNO

local sightseeing and running tour

Put on your running shoes and share your love of exercise with us, as we **share our city** with you in a unique and exciting fashion!

Enjoy a running tour of Salerno, where a local guide and fellow jogger will lead you through the city and its many sights. The relatively compact city center and the **fantastic views** over the sea, coastline, and mountains make Salerno perfect for a running tour.

We will share our knowledge of the town's hidden attractions, most panoramic views, and plenty of insightful information that only a local runner can provide.

Your run is approximately **4 miles long** and the route has been planned with the beautiful scenery of Salerno in mind; **we will be running along the waterfront and pass by many of Salerno's historical sites.** Enjoy short stops by the city's main attractions, where your guide will share some ancient anecdotes with you.

Our tour is very informal and **we run in small groups**, allowing you plenty of time to ask questions about the city and the surrounding area.

The tour lasts approximately **90 minutes with brief stops en-route.**
