

REAL TASTE OF SALERNO | FOOD TOUR

Half Day Tour

Take advantage of our local insight and join us on **the official food tour of Salerno**. Our tour takes you through the old-town of this authentic city as you discover its **local gastronomic delights**. Highlights include a visit to the outdoor market, a historical pastry shop, and tastes of the **homemade specialties** at some of the city's best restaurants, including a stop for **Salerno's infamous lemon granita** in the local botanical garden.

Between tastings, you will experience **“real life in Southern Italy,”** as you stroll through its traditional neighborhoods, passing by some of its main historical sights, including the beautiful Cathedral San Matteo dedicated to the Patron Saint of the city, while enjoying anecdotes shared by a your local guide.

Salerno is the ideal place to please the palate and your tastings en-route will include: Homemade pasta with fresh coastal lemon, world-famous buffalo mozzarella, authentic eggplant parmesan, brick-oven bread, and some of the most delicious local pastries created from ancient recipes developed hundreds of years ago by the nuns from the local monastery.

This Experience Includes:

- Private English speaking guide
- All food and beverage tastings

Optional / Extras (Not Included):

- Round-trip transportation

Tours are available Tuesday-Saturday
